

# SICK AND TIRED OF MOULD?

Finally a product that removes **OVER 98%** of mould and fungal spores from your home

## SAN-AIR

Personal Air-Space Sanitiser

**DRAMATICALLY REDUCES MOULD**  
Leaving your environment fresh and hygienic

Use in your shoe boxes, wardrobes, even your kitchen cupboards and under the sink.

Easy to use - Just peel off seal, replace lid and place in front of an air stream OR as your personal space sanitiser, leaving it on your shelf, desk or near your garbage bin.

San-Air helps to comply with OH&S regulations for indoor spaces and combat respiratory infections in your workplace.

No overpowering fragrance, just good, clean air.

Lasts 6-10 weeks in use.

Product Code: 600-01
